Importance: High

Ms. Wallis:

We've just been informed that this information is needed for a meeting this afternoon. Please respond by 11:00.

I apologize for the short notice.

Thank you!

Ms. Wallis:

In addition to the previously requested information, we need to know how much has been spent on the following for all subcontractors:

- Client Incentives
- Volunteer incentives
- Equipment
- Incentive gifts
- Staff and volunteer in-service

We also need to know how the pregnancy are being purchased; are they purchased by CtLM, by the subcontractors? Which line item?

Thank you

Jeanine LeBlanc
